Letter from the Commissioner ...

FREDDIE V. SMITH
COMMISSIONER

STATE OF ALABAMA
DEPARTMENT OF CORRECTIONS
MONTGOMERY, ALABAMA 36130

GEORGE C. WALLACE
GOVERNOR

The Honorable George C. Wallace
Governor
State of Alabama
State Capitol
Montgomery, AL 36130

Dear Governor Wallace:

Enclosed herein is the 1982-83 Annual Report respectfully submitted to provide you and other readers with current data about our Department.

During the past year, we have developed and implemented innovative programs, opened new correctional facilities, decreased the total annual cost of inmate incarceration and met all but the minute technical aspects of the Federal Court Order. Furthermore, assistance to our fellow criminal justice partners through technical advice and inmate labor for County Jail renovations and distribution of timely information has enhanced working co-operation within the criminal justice system. All realms of government are increasingly utilizing free inmate labor for community projects, a program which saves taxpayers approximately $100,000 a month.

In retrospect, the past year has been one of utmost service to the people of Alabama while still achieving all departmental objectives. I, along with all employees of the Department of Corrections, want to extend our sincere appreciation to you, the Legislature, and the citizens of the great State of Alabama for the support and assistance given to our Department in meeting these objectives.

Sincerely,

Freddie V. Smith
Commissioner

Departmental Objectives

"To administer sentences of the courts by controlling offenders while respecting the constitutional and human rights of persons."

"To aid in preparing committed offenders for return to the community as useful persons."

"To utilize inmate manpower for the public benefit."

"To search for causes of and the means for preventing or treating delinquent and criminal behavior."

"To conduct the business of the department in the most effective and economical manner."
